Hiring Driver Education Instructors!

The Traffic Safety Association of Macomb is looking for patient, enthusiastic driving instructors to prepare our students for their driver's tests. The driving instructor's responsibilities include delivering lessons promote students' theoretical and applied driving skills. Driving instructors also communicate with students to ascertain which of their abilities require further development. We offer competitive pay and a sign-on bonus!

To be successful as a driving instructor, you should maintain excellent communication with students at all times. Ultimately, a top-notch driving instructor will tailor their instruction to meet the needs of students, while still meeting targets set by the driving school.

Driving Instructor Responsibilities:

- Preparing lessons that are tailored to students' needs.
- Providing in-class instruction on the parts and functions of a vehicle, and on-road regulations.
- Teaching practical skills related to all aspects of driving.
- Helping students to develop confidence in their driving skills.
- Gaining control of the vehicle during emergency situations.
- Calming students who are in distress.
- Grade students' work and evaluate their progress, providing feedback as needed.
- Provide behind-the-wheel driving lessons for students.
- Communicate with clients or students' parents as needed

Driving Instructor Requirements:

- Certified in teenage driving instruction by Michigan Department of State.
- Valid driving instructor's license or certification.
- Proven experience as a driving instructor.
- Clear background check, and driving record
- Excellent verbal and written communication.
- Patience and enthusiasm.
- Ability to remain calm under pressure.
- Ability to work during evenings and on weekends, as required.
